### **February report for St Davids Matsieng, Lesotho, Link Group**

Those of us who are going to Matsieng at the end of the month took part in a very useful and enjoyable training day organised by Wales Africa Community Links at Ysgol Dewi Sant last Thursday afternoon. The course was run by Ed Howarth who has previously assisted the group. Ed provided us with a very stimulating and thought provoking afternoon, rounded off with lots of practical information about travelling to Africa on a visit of this kind.

I think we are going to need to be able to make some sort of presentations to our hosts in Matsieng, and with the Mayor's permission, I will hope to elaborate a little on this at Monday night's meeting. For city councillors' general information, we will be holding a normal meeting of the group the following Tuesday evening. As usual, all would be very welcome to attend.

Also, the Dean of the Cathedral has again kindly offered us one of the cathedral's lent lunch slots for our fund raising. The date allocated is Friday 28<sup>th</sup> March, and the lunch will be held at the City Hall. Again, all will be very welcome

- 292.10 Youth Drop In. Cllr Price reported that the Club was very popular and  
that the children that attended presently were enjoying the activities and were very well behaved.
- 292.11 Ysgol Bro Dewi Governor. See report below by Cllr Halse.

### REPORT FOR CITY COUNCIL MEETING - FEBRUARY 3<sup>rd</sup> 2014.

Quarterly Governors' Meeting at Ysgol Bro Dewi on January 29<sup>th</sup> (6-8.30pm)

This meeting was attended by Cllr David Halse, covering for Cllr Bethan Price, the City Council's Governor representative, who was unable to attend. Cllr Halse was attending as an observer with no voting rights but was invited to speak on a couple of significant matters.

Councillors will be able to see the full minutes of the meeting after they have been agreed and published. This report is inevitably selective.

Items of significance for the City Council:

#### 1) 1) PUPIL DATA.

	Part-time	Full-time
Spring term 2014	15	95
Summer term 2014 (predicted)	12	100
Autumn term 2014 (predicted)	9	94

Earlier recorded numbers for information : January 2011 (17/97)  
January 2012 ( 8/107)  
January 2013 (12/95).

#### 2) 2) HEAD-TEACHER'S REPORT.

Included: - Clear focus on implementing the Literacy and Numeracy Framework.

- Introduction of "Target Pupil Procedures".

- Attendance tracking. The target has been 95% for the past 4 years and in autumn 2013 this target has been achieved (actual was 95.65%).

- Staffing changes were reported and Mrs Vaughan continues to settle in as the new head teacher.

#### 3) SAFEGUARDING.

A full audit had been undertaken on 18/10/2013. Much hard work had been undertaken in preparation for this audit and the end result was GREEN for "good".

Two specific areas for development were particularly relevant for City Councillors:

a) a) Site Security.

b) b) Safer routes to school.

Your representative was asked to comment here and it was agreed that there would be further work undertaken by the Head-teacher, County Councillor David Lloyd, John Gobbi from the County Council and City Council representatives (when appropriate). The current situation remains unsatisfactory and the matter will be reported on at the next governors' meeting.

#### 4) PRE-SCHOOL PROVISION.

A discussion took place following a visit to Templeton School pre-school unit by Cllr David Lloyd and school staff. Work was to continue on this, involving staff and governors in order to consider the viability of a similar unit in Ysgol BroDewi. It was felt that this could be an important initiative which could potentially increase the pupil numbers at the school and benefit local families. Financial implications would also be considered.

5) REVIEW OF EDUCATIONAL PROVISION IN ST DAVIDS AREA.

This topic was an important matter for discussion and your representative was invited to speak about the City Council's letter to the County Council , dated 5/12/2013, and related issues. There was an extensive discussion. The City Council Clerk had provided the Chair of Governors with our letter of 5/12/2013 prior to the meeting and some disappointment was expressed during the meeting that the City Council had agreed on a specific option prior to the beginning of the consultation and without asking for any views from Ysgol Bro Dewi staff or governors. Your representative outlined the reasons for the letter and the expression of support for Option 9 . Staff and governors would be participating in discussions/consultations about future educational provision during Feb/March and the governors would be clear about which option they would be supporting after this. There was now a likelihood that the County Council would not be deciding on a specific option until after August 2014. All were agreed that the current uncertainties and speculation were not good for staff, governors or families.

292.12 Planed Community Forum. Nothing to report.

292.13 Porthstinan Boat Owners Association. The Mayor reported that she had recent attended a meeting of the PBOA were much of the debate focussed on the design of the slip. A meeting of the St Justinians Working Group was to be arranged for the end of February.

**Planning**

**293** C2/14/MH/pc Selective removal of trees in Area E and treatment of stumps. Trees comprise sycamore, willow and ash in Cathedral Close. it was RESOLVED to support the application.

**294** NP/14/0038 Certificate of lawfulness for use as a guest house / part service hotel at Penrhiw, St Davids. It was RESOLVED to support the application.

There being no further business the meeting closed at 9.30pm

**Minutes of the Second Meeting of the Month on Monday 17<sup>th</sup> February 2014 at the Council Chamber at 7.00pm.**

The meeting was preceded by a visit from Ian Westley Director of Transportation, Housing and Environment at Pembrokeshire County Council and Cllr Rob Lewis to discuss the 2014 Series Cycling Tour. Cllr Lewis informed the City Council that because of the recent storm damage, the 2014 sprint cycling event organised by Sweet Spot in Aberystwyth was due to be cancelled. However the event was now going to go ahead as planned but the organisers were keen to discuss the possibility of hosting a 12<sup>th</sup> leg of the 2015 tour in St Davids. The 2013 figures for Aberystwyth indicated that approximately 10000 spectators watched the event generating approximately £280000 for the local economy. Mr Westley informed the City Council that the funding package for hosting the 2015 event would be in the region of £55000 adding that the figure would include plenty of television coverage of the event and would be good publicity for St Davids, similar to the Iron Man competition in Tenby. Mr Westley added that the cycle route would follow a circular route within the city and that for 2 hours the roads affected by the cycle route would need to be closed. Mr Westley assured the Council that alternative traffic arrangements would be made to ensure minimum disruption to the residents of St Davids. The possible date for the event was likely to be either the Tuesday or Thursday of the third week in May. The City Council informed Mr Westley that may was often a busy week in St Davids and it was agreed that the Clerk would provide the County Council with a list of events taking place in May 2015 and the matter would be discussed further at a subsequent meeting of the City Council.

### **Matters Arising**

**298** Unilateral Notices relating to Whitesands car park and Croeswdig. The Clerk reported that JCP Solicitors had confirmed that the Notices had been cancelled (letter dated 4th February 2014).

### **299 WHITESANDS**

299.1 Storm damage. The Clerk reported that more rocks and pebbles had been washed up onto the car park. It was RESOLVED to instruct Mr David Murphy to remove them once the adverse weather had subsided. The Clerk also reported that the blue flag had been blown away and that Pembrokeshire County Council would replace it once the 2014 Blue Flags had been awarded.

299.2 Quote received for boiler in Beach Cafe. This item being a matter of contract was RESOLVED to be deferred to the end of the meeting when under section 100 (A) of the Local Government Act 1972, it was agreed that the public and press be excluded from the meeting for this item on the grounds that it involves the likely disclosure of exempt information.

299.3 Quote received for repairs to the roof of the Beach Cafe. This item being a matter of contract was RESOLVED to be deferred to the end of the meeting when under section 100 (A) of the Local Government Act 1972, it was agreed that the public and press be excluded from the meeting for this item on the grounds that it involves the likely disclosure of exempt information.

**300** QUICKWELL HILL TOILETS Following Jon Mills e-mail of 11<sup>th</sup> February informing the City Council that it would not be possible to set a ceiling on the running costs of the toilets; however would be possible to include a 3 month period of notice if the running costs exceed what the City Council has envisaged, it was RESOLVED to sign the draft agreement and to pay the running costs of the toilets from 1st April 2014.

**301** SWAT Information was received regarding the proposed changes at Witybush Hospital together with a poster appealing for residents to protest in Cardiff received from Dr Chris Overton. The City Council considered that

representation expressing the Council's concerns at the removal of essential services need to be made to the right people. It was RESOLVED to write to the AM, MP and Chief Executive of the NHS outlining the Council's view in particular the implications for an already overstretched ambulance service. It was further RESOLVED to ask the local providers of accommodation for school trips such as Treginnis Farm for City Children, TYF and Pwll Caerog whether the loss of overnight paediatric care would impact on their ability to receive school groups as well as the loss of 24 hour A & E care. It was further RESOLVED to contact Mr Mark Drayford to reiterate the impact that the loss of essential services would have on the lives of both local residents and tourists visiting the area.

### 302 YSGOL DEWI SANT Preliminary consultation.

302.1 The Clerk reported that a public consultation meeting was to take place at 6.30pm on Wednesday 5th March in City Hall. Places have been reserved for Councillors. Concern and confusion was expressed regarding the requirement by Pembrokeshire County Council that members of the public wishing to attend the public meeting would need to reserve a place. The Council considered that the capacity at Ysgol Dewi Sant was nearly twice the capacity that could be seated in the City Hall and it was RESOLVED to request that the venue be changed from City Hall to Ysgol Dewi Sant.

302.2 The Clerk informed the Council that consultation documents will be available from on line on the County Council's website from 21st February. Cllr Halse informed the City Council that prior to the evening's Council meeting he had attended a meeting of the governing body at Ysgol Bro Dewi. Cllr Halse reported that there was plenty of concern at Ysgol Bro Dewi regarding the review of education provision in the St Davids area and that he felt it was vital to engage with both Ysgol Bro Dewi and Ysgol Dewi Sant to fully understand the implications of the options being put forward as part of the public consultation. It was unanimously RESOLVED to withdraw Cllr Price as the City Council's representative on the governing body and to nominate Cllr Halse to represent the City Council, Cllr Halse abstained from voting. It was further RESOLVED to write to Cllr Price thanking her for her work as Governor.

### Planning:

303 NP/13/0576 Demolish garage and build new stable block at Pegity Cot. The Clerk informed the Council that the application was to go before the Development Management Committee at a meeting on 19th February at 10am. The City Council considered that at present they had no further information to provide in support of the application and it was RESOLVED that no representation would be made on behalf of the Council at the Committee meeting.

304 NP/14/0066 Proposed conversion 7 single story extension to redundant agricultural building (traditional stone) to create a 1 bedroom dwelling at Dan Y Garn, SA62 6PL. The City Council considered that the proposal was deemed unlikely to have a detrimental visual or environmental impact on the surrounding area. It was RESOLVED to support the application. It was further RESOLVED to inform the PCNPA of the City Council profound disappointment at the previous refusal of the planning application on the grounds that the proposed dwelling was not within a certain proximity to public transport.
