Minutes of the Monthly Meeting of the Council on Monday 2 November 2026 in the Council Chamber at 7.00pm

Present: Mayor Cllr S Foster, Deputy Mayor Cllr DJ Griffiths, Cllr W Chant, Cllr ES Evans, Cllr MC Gray, Cllr FD John, Cllr S Minas, Cllr BS Sehmi, Cllr BT Price, Cllr R Price, Cllr RJ Thornton, with officers S Mann (Clerk), and W Mann (RFO).

In attendance for item 118 until 7.25pm: Mr S Mason-Evans, Headmaster, Ysgol Penrhyn Dewi.

112 Apologies for Absence

Elected members summoned to this meeting who cannot attend must notify the Clerk in advance. Apologies are formally recorded in the minutes with reasons given and approved by the Council, as required by Standing Order 4 and the Local Government Act 1972. The attendance or absence of council officers is recorded in the minutes but does not require formal approval, as officers are not summoned under statutory requirements.

RESOLVED: That apologies from Cllr B Lloyd be accepted and approved.

By agreement, the Mayor moved the order of the agenda so that item 118 was taken next.

113 Declarations of Interest

Members are requested to declare any personal or prejudicial interests in matters on the agenda in accordance with Standing Order 7(s) and the Council's Code of Conduct. Members are reminded that they should withdraw from discussions where their interest could reasonably be viewed by a member of the public, with knowledge of the facts, as significant enough to prejudice judgment. This procedure maintains public confidence in the Council's decision-making process.

DRAFT

a. Cllr R Price declared a personal interest in item 137(a) and (b) (planning applications NP/26/0321/FUL and NP/26/0322/LBA, 1 High Street).

b. Cllr MC Gray declared an interest as landowner of the village green in the Maes Glasfryn item.

114 Confirmation of Minutes

Minute confirmation is for agreeing that the minutes accurately record the decisions (resolutions) made at the meeting. Amendments to correct any inaccuracy in the draft minutes (including grammatical errors, typos, numbering errors, incorrect recording of decisions, or other errors) must be moved as a motion under Standing Order 14(a)(i).

a. Cllr R Price noted that Minute 102(a) records the event on 11 March each year under Naas, and that the reference should be to Lesotho.

b. Cllr BT Price stated that, at the meeting on 5 October 2026, she declared a personal interest in planning application NP/26/0432/FUL (Minute 111(a)) and left the meeting for that item, and asked that this be recorded.

RESOLVED: That the Minutes of the Monthly Meeting of Council held on 5 October 2026 be confirmed as a correct record, subject to the amendment of Minute 102(a), and Minute 111(a).

115 Mayor's Announcements and Reports from Members Representing the Council

The Mayor may make announcements on any relevant matters, correspondence received, or progress on previously resolved items. Members who represent the Council on any outside body, group, or

organisation and who have a report to present may also do so under this item. This item is for information only. In the interests of transparency and public notice, no decisions may be taken under this item; any matter requiring a formal Council decision must be submitted to the Proper Officer and listed as a separate agenda item in accordance with Standing Orders 13(b) and 19(I)(d).

a. Members were asked to confirm to the Deputy Clerk by 3 November, if they had not already replied, whether they will attend Remembrance Sunday on 8 November and whether they will bring a partner.

b. The Mayor reported vandalism at the skate park on 31 October 2026, and reminded Members that it is not appropriate to contact staff outside working hours except in an emergency.

c. The Mayor reported that Solva Surgery has a licence to occupy Shalom House from 1 November to 30 March 2027, and that an announcement is awaited from the surgery.

d. The Mayor reported that the DARC application at Cawdor Barracks was to be considered by the Pembrokeshire County Council Planning Committee at 10am on 3 November 2026, that all were welcome to attend, and that the meeting could be watched via a link on the County Council website. The Council has already sent its response and, as the response was very detailed, there would be no opportunity to elaborate. The application has been called in by Welsh Government, and the Council's response will go to Welsh Government, who will make the decision.

e. The Mayor reported on civic events attended: Michaelmas Fair, Pembroke; the St John Ambulance service at the Cathedral; the Neyland civic service; the installation of the Venerable Paul Mackness as Dean of St Davids Cathedral; and the St Davids Band concert at the Cathedral. At one event she met the maker of the chain

DRAFT

f. It was reported that the planning application for 18 High Street is delayed because the consultant has been away, that confirmation was received on Friday, and that the Clerk chased on 2 November.

g. Office clearance: it was reported that about 90 boxes of old planning applications, which Pembrokeshire County Council has agreed to dispose of, are awaiting removal. Members were asked to help take them by car or van to the Withybush depot on a day to be confirmed.

h. Cllrs BT Price and RJ Thornton reported on the Working Better Together meeting, which covered Martyn's Law. It was reported that from 1 April 2027 it will apply to publicly accessible premises and large events with a capacity of 200 to 800 people, requiring procedures and precautionary measures. It was noted that Cllr RJ Thornton attended the presentation, and that the Clerk is to establish the presenter's name and contact them to request that they attend a future meeting.

116 Action Log

In accordance with best practice governance procedure, Action Log is intended to report progress on previously recorded matters only.

Cllr FD John reported that the grass at Bryn Teg is still not being cut by Pembrokeshire County Council. The Clerk and Cllr BT Price, as County Councillor, are to follow this up.

RESOLVED: That the Action Log be noted.

117 Public Representations

No public representations were received.

118 Ysgol Penrhyn Dewi - Visit by the Headmaster

Further to the Council's resolution of 5 October 2026 (Minute 110), the new headmaster of Ysgol Penrhyn Dewi, Mr Sion Mason-Evans, was invited to attend this meeting so that Members could hear about the school's plans and consider how the Council can assist. The County Council's policy on first-language Welsh provision at non-Welsh-medium schools was also discussed.

The Mayor welcomed Mr Mason-Evans and referred to Welsh language provision at the school. Mr Mason-Evans explained that:

a. the school has a small catchment area but a large number of feeder schools;

b. Croesgoch and Roch were taken out of the catchment last year without much consultation, and Pembrokeshire County Council (PCC) has allocated a new catchment to Fishguard;

c. the closing date for secondary applications has introduced further challenges; Roch, the official feeder school, has seen a drop in applications to the school (26 pupils expected in Year 6, six applied), with a large impact on funding, for various reasons including A level provision at Haverfordwest High and perhaps sports facilities;

d. the school needs to ensure that it provides Welsh for Year 7 pupils who have received first-language Welsh primary education, and it is trialling an arrangement for the first time this year;

e. support and funding to safeguard Welsh as a first language subject, and other subjects taught through the medium of Welsh, are limited; and

f. parents are concerned that pupils will lose their Welsh language skills.

DRAFT

The Mayor assured the Headmaster of the Council's full support. In discussion:

g. Members asked who the Cabinet Member for Education at PCC is (Cllr Paul Miller, County Hall), and discussed seeking political support from the local authority in light of the Well-being of Future Generations (Wales) Act 2015.

h. Cllr MC Gray asked about swimming pool provision.

i. Cllr BS Sehmi recalled that the school council used to visit the Council. Mr Mason-Evans confirmed the school council's enthusiasm, and Lucy Vaughn (the Clerk's contact at the school) is to enquire about and arrange a daytime visit by the school council.

j. Cllr R Price asked for an update on the working group formed, as per a past resolution of the Council, to promote St Davids, led by Rachel Thomas, former Head. Mr Mason-Evans agreed to contact her and share the information with the Council.

k. The Clerk is to be in contact with Linzi Morris at the school as the point of communication.

Mr Mason-Evans left the meeting at 7.25pm.

RESOLVED: That the Clerk writes to Cllr Paul Miller, Cabinet Member for Education at Pembrokeshire County Council, on behalf of the Council, petitioning for support for sports facilities, Welsh language provision and the feeder school position at Ysgol Penrhyn Dewi, having regard to the Well-being of

Future Generations (Wales) Act 2015 and Welsh language legislation; that the Clerk liaises with Linzi Morris at the school to confirm the correct terminology before the letter is sent; and that the Clerk confirms the requirement on schools to provide Welsh, to which Tracey Messenger (Ysgol Penrhyn Dewi new campus) referred, before it is cited in the letter.

119 Accounts

a. RESOLVED: To approve the Internal Audit report for September 2026.

b. RESOLVED: To approve the Financial Statements for October 2026.

120 Quantity Surveyor for 18 High Street

The Council needs a quantity surveyor to prepare a cost plan for the 18 High Street redevelopment, for the business case, community consultation on cost and precept impact, and the Welsh Government borrowing approval application. Financial Regulation 5.8 requires at least three fixed-price quotations for contracts over £5,000 excluding VAT. Between August and October 2026 the Clerk invited four firms to quote. Two declined for lack of capacity, one did not reply and one fee proposal was received. Financial Regulation 5.13 allows a waiver where the reason is set out in a recommendation to the Council. The reason here is that no further quotations could be obtained despite the Clerk's efforts, and not the avoidance of competition. Under Financial Regulation 5.19 no tender or construction contract can be entered into until Welsh Government borrowing approval has been obtained.

RESOLVED: To note the attempts made to obtain three quotations, to waive Financial Regulation 5.8 for the reasons reported, and to appoint Penfro Consultancy Limited (Chartered Quantity Surveyors, Pembroke Dock) as quantity surveyor to prepare the cost plan for the 18 High Street redevelopment, on its fee proposal of 25 September 2026 (ref PCL-698-0-001): RIBA Stage 4A (detailed elemental bill of quantities and elemental cost plan) at a fixed fee of £1,975.00 plus VAT, with any later stages (including tendering and construction stage services, quoted at £6,945.00 plus VAT, a total proposal of £8,920.00 plus VAT) subject to Welsh Government borrowing approval and a further resolution of the Council.

DRAFT

121 Annual Grants and Donations 2026/27

At the Annual Meeting on 18 May 2026 (Minute 18), Canon Sheridan James asked the Council to consider increasing the St Davids Cemetery contribution, currently £800 a year and unchanged for many years, in line with inflation. Members noted that the church cemeteries charge for burials and memorials, whereas the chapels do not.

RESOLVED: To approve annual donations for the 2026/27 financial year:

a. Tretio, Berea and Caerfarchell Chapels (s.214): £250 per chapel;
b. St Davids Cemetery (s.214): £1,000, increased from £800;
c. Royal British Legion (Local Branch) (General Power of Competence): £100; and
d. St Davids RAFA Club Remembrance Reception (General Power of Competence): £400.

122 Christmas Civic Reception, Friday 4 December 2026 - Catering and Entertainment

Further to Minute 100 (5 October 2026), the Civic Reception will be held in City Hall on Friday 4 December 2026 at 7.00pm. Catering quotations were received for 100 to 120 guests (two in the agenda pack and a third received on 29 October 2026), and a quotation for live entertainment. Members preferred a simple hot turkey roll and chose the lowest priced option.

RESOLVED: That Council approves catering from Cwm Gwaun Catering (Quotation 3, received 29 October 2026): roast Pembrokeshire turkey, home made stuffing and cranberry sauce in a roll, with a breaded vegetable burger as the vegetarian option, at £8.95 per person (£895.00 to £1,074.00 for 100 to 120 guests), the price including the roll in a biodegradable tray, napkin, wooden fork, serving staff, travelling and VAT; and approves the entertainment by Mike Chant (with Abbie Jebbers) at £250 including a PA system.

123 Community Award and Outstanding Achievement Award 2026 - Selection Meeting

The Council was asked to consider holding an extraordinary meeting to select the winners of the Community Award and the Outstanding Achievement Award. The awards are to be presented by the Mayor at the Civic Reception on Friday 4 December 2026. Nominations close at 3.00pm on Monday 23 November 2026. The next ordinary meeting of the Council is on Monday 7 December 2026, after the Civic Reception, so a separate meeting is needed to select the winners in time for them to be invited to attend.

RESOLVED: That, instead of holding an extraordinary meeting, the selection of the winners of the Community Award and the Outstanding Achievement Award be combined with the Whitesands Annual Review meeting, and that the date of that meeting be set as Monday 23 November 2026.

124 Street Name Signs - Contract Review

Further to the Council's resolution of 7 September 2026 (Minute 82) rescinding the contract awarded under Minute 109 (3 November 2025) for street name sign maintenance, excluding fingerposts, the Clerk asked the original contractors for updated quotations, including a phased strategy. Consideration was deferred on 5 October 2026 (Minute 98) because only a single quotation had been received, pending further quotations. Financial Regulation 5.8 requires at least three fixed-price quotations for contracts over £5,000 excluding VAT. Despite the Clerk's further efforts, only one quotation has been received. Financial Regulation 5.13 allows a waiver where the reason is set out in a recommendation to the Council. The reason here is that no further quotations could be obtained despite the Clerk's efforts, and not the avoidance of competition.

DRAFT

RESOLVED: That the Clerk's attempts to obtain three quotations be noted, that Financial Regulation 5.8 be waived for the reasons reported, and that Idwal Phillips be awarded the contract for street name sign refurbishment, excluding fingerposts, as a single contract at a total of £5,560.00, to be delivered in phases: Phase 1, full renovation of the 16 signs in the worst condition at £175 per sign (£2,800.00); and Phase 2, refurbishment of the remaining 23 signs at £120 per sign (£2,760.00); the total of all phases being approved so that the contract is not split (Financial Regulation 5.11).

125 Bryn Teg Playing Field - Taking on the Site

On 5 October 2026 (Minute 97) the Council asked the Clerk to research taking on Bryn Teg Playing Field and to obtain Pembrokeshire County Council's intentions in writing. PCC has confirmed that the equipment, although past its expected end of life, is not in itself unsafe, that it will continue to maintain it until it becomes unsafe or uneconomical to maintain, and that there is no budget for its replacement. PCC understands that unspent Section 106 money of £13,595.71 can be used at Bryn Teg, and suggested an Enhancing Pembrokeshire expression of interest (grants of up to £15,000 per project, covering up to 80% of eligible costs) on the basis that a transfer or lease takes place. The Clerk has submitted an expression of interest on that basis, which commits no Council money. PCC's reply on transfer or lease terms and liabilities is awaited. Taking on Bryn Teg would be a new running cost for the Council. Members discussed a smaller play area with open space, football posts, tree planting and a fenced area.

RESOLVED: That Council supports in principle taking on Bryn Teg Playing Field from Pembrokeshire County Council, subject to the Clerk first asking PCC: (a) about its intentions for housing on the estate, including whether more families are expected; (b) the current cost to PCC of maintaining the site,

including the service level for mowing; and (c) whether any restrictions or conditions would apply to the Council's use of the land if it takes it on.

126 Scout Hut (Ty Pawb) - Letter of Support

Further to the Council's resolution of 4 November 2024 (Minute 90(a)), and at the request of Cllr B Lloyd, the Council considered a letter of support for Ty Pawb's grant application. Ty Pawb has advised that Pembrokeshire County Council has notified it of a grant of £13,000 from the Pride in Place funding, for new double glazed windows, solar panels and a storage battery at the Scout Hut, subject to match funding and to the Scout Trustees' permission for the works, and that the application requires written evidence from the Scouts and the City Council that Ty Pawb is in place as the group managing the hall for the community and is working towards a lease. The Clerk reported the latest email (2 November 2026) from the Pembrokeshire County Council Property officer who is the point of contact for the Scout Hut, which advises that the simplest route is for the Scouts to surrender their lease and for PCC to grant a back to back lease to the new tenant; that PCC would not enforce removal of the building, which could transfer to the new group; and that PCC will reissue the heads of terms for agreement, obtain its internal consents and instruct legal advisers on the surrender and the new lease.

RESOLVED: That Council approves a letter of support for Ty Pawb's grant application, confirming the Council's position as set out in the Clerk's email of 13 October 2026 (Reference 5): its resolution of 4 November 2024 (Minute 90(a)) and its conditions, which remain as confirmed by the Clerk, and having regard to the latest email of 2 November 2026 from the PCC Property officer. The letter does not confirm who will manage the hall or that a lease is imminent, as PCC has not yet agreed a lease and anything more would need a further resolution of the Council.

DRAFT

127 Community Warm Spaces 2026/27

The Council's application to the Community Warm Spaces Fund (Minute 76) was not approved by PAVS. Following the end of the 2025/26 Warm Spaces project in April 2026, the Hall Manager established the Thursday Tea and Talk, run by volunteers, with free use of the Memorial Hall approved by the Council (Minute 16, 18 May 2026).

RESOLVED: That Council supports the Thursday Tea and Talk community gathering, and will pay food bills and similar costs on receipt from the volunteers.

128 Cinema Equipment - South Hook LNG Community Fund Application (Projector) - Outcome and Options

PAVS advised on 22 October 2026 that the Panel could not approve the Council's application for the cinema projector (Minute 80). The Clerk resubmitted the application by the South Hook deadline of 12 noon on Monday 2 November 2026, which fell before this meeting. Members noted that, if unsuccessful, the Council will look at a loan or rental of equipment.

RESOLVED: That the outcome of the South Hook LNG Community Fund application be noted, and that the Council ratifies the Clerk's resubmission of the application for the cinema projector on 2 November 2026, the Grant Application Protocol having been implemented and the Mayor, the RFO and the Chair of the Finance Committee having been consulted on the application ahead of resubmission.

129 Sporting Facilities in St Davids

Cllr ES Evans has raised concerns about the cost of using, and the condition of, sporting facilities in St Davids owned by Pembrokeshire County Council, including the sports hall, gym membership and the outdoor basketball court, and the lack of a 4G pitch at the secondary school.

RESOLVED: That the Clerk writes to the appropriate representatives at Pembrokeshire County Council, including the Cabinet Member for Education, Cllr Paul Miller, and those responsible for sport, health and well-being; that the Clerk works with Cllr BT Price; and that Henry Tufnell MP be invited to a Council meeting.

130 Public Toilets - Oriel y Parc Visitor Car Park

A local resident has written to the Council about the lack of public toilets at the Oriel y Parc visitor car park. The resident's question was discussed by the Pembrokeshire County Council Policy and Pre-decision Overview and Scrutiny Committee on 1 October 2026, and PCC's written response is awaited. Members noted that the car park is free during winter, when the visitor centre and its toilets are closed, and Cllr BT Price suggested improved signage to the public conveniences on Bryn Road.

RESOLVED: That the Clerk checks whether the city map is in place at the Oriel y Parc car park, and asks the Pembrokeshire Coast National Park Authority to display a sign or map over the winter months, when the toilets are closed, showing the nearest public toilets.

RESOLVED: That the Council engages with Pembrokeshire County Council on public toilet provision at the Oriel y Parc car park.

DRAFT

131 Community Renewable Energy Scheme - Ynni Bro Rhian

At the meeting on 7 September 2026 Cllr R Price noted a community renewable energy scheme in the Llanrhian area and asked whether it might extend to St Davids. Ynni Bro Rhian is an Energy Local club, currently being set up, through which local households and small businesses can buy locally generated wind and solar electricity at a fair price. The scheme is intended to serve much of North West Pembrokeshire.

RESOLVED: That the Clerk explores with Energy Local whether the Ynni Bro Rhian scheme could extend to, or be replicated in, St Davids, and contacts Llanrhian and others.

132 Caerfarchell Defibrillator: Progress Report

The Council resolved in principle in March 2026 to fund a defibrillator for Caerfarchell, with an approved capital budget of £2,400 to £4,300 and annual running costs of £70 to £150. A heated, mains powered cabinet on one of Caerfarchell's two street lighting columns is now being explored. The British Heart Foundation has confirmed that a lamppost site is possible, provided permission is obtained before applying. The enquiry to Pembrokeshire County Council is with its Street Care team, with a reply due by mid November. National Grid has supplied an application form for a new connection, and a budget estimate will follow once a site and capacity are confirmed.

RESOLVED: That the progress made on the Caerfarchell defibrillator be noted, and that a further report be brought to Council once replies are received from PCC and National Grid.

133 Mobile Sauna Planning Application Update

A full planning application (Ref: PP-15320242) and fee were submitted via the Planning Portal on 23 October 2026 to permit the mobile sauna at Whitesands Bay Car Park to continue trading beyond the current season ending on 31 October 2026. The proposed arrangement includes staying on-site overnight in Space 2 during the main season (1 April - 31 October), and operating on Space 1 from Friday to Sunday (removed daily after trading) during the off-season (1 November - 31 March). Updates from PCNPA will be reported to Council as received.

RESOLVED: That the update be noted.

134 City Hall Premises Licence - Sale of Alcohol

Further to Minute 104 (5 October 2026), Pembrokeshire County Council Licensing has advised that the City Hall premises licence (PEMBS/PREM/G/0022) can be varied to include the sale of alcohol and the showing of films, and that the Designated Premises Supervisor requirement could be disapplied as the premises are for the community. The application fee is £100.

RESOLVED: That the advice from PCC Licensing be noted, that the Council applies to vary the City Hall premises licence (PEMBS/PREM/G/0022) to authorise the sale of alcohol and the showing of films, with the Designated Premises Supervisor requirement disapplied, at a fee of £100, and that the Clerk be authorised to complete the application.

135 Maes Glasfryn - Legal Advice and Comparative Quotations

DRAFT

Further to Minute 248 (16 March 2026) and Minute 9 (18 May 2026), confirmation was received on 16 October 2026 that a solicitor previously approached does not have the capacity to accept instructions or provide a quotation for the lease work. To date, only a single quotation has been received.

RESOLVED: That the update be noted, and that the Clerk be authorised to approach further solicitors to obtain comparative quotations for the legal advice in accordance with the Council's previous resolutions, the matter being delegated to the Clerk so that the lease can be progressed without delay.

136 General Purposes Committee - Recommendations - Adoption of Policies

The General Purposes Committee met on 19 October 2026 and recommended the following policies to the Council. The Disclosure and Barring Service Policy, approved on 7 October 2024, was due for review in October 2025.

RESOLVED: To adopt the following policies as recommended by the General Purposes Committee:

a. Memorial Bench Policy;

b. Welsh Language Policy, amended to remove the operational detail naming the Clerk and the RFO;

c. Disclosure and Barring Service Policy.

The Clerk is to email Members regarding DBS checks, including their duration and renewal frequency.

137 Planning (PCNPA)

a. NP/26/0321/FUL Addition of tin roof, wooden lean-to above small patio area around the back of the property (Retrospective). 1, High Street, St Davids, Haverfordwest, Pembrokeshire, SA62 6SA. RESOLVED: No objection; to support the application.

b. NP/26/0322/LBA Addition of tin roof, wooden lean-to above small patio area around the back of the property (Retrospective). 1, High Street, St Davids, Haverfordwest, Pembrokeshire, SA62 6SA. RESOLVED: No objection; to support the application.

c. NP/26/0538/FUL Retrospective demolition of existing hall & rebuild to provide ancillary accommodation. Chapel House, Berea, Haverfordwest, Pembrokeshire, SA62 6DJ. RESOLVED: No objection; to support the application.

Any Other Business

Items for information only

a. Cllr R Price reported that the grass verge at Augusta Way has not been cut, on the stretch from the entrance to Augusta Way to Premier Inn and the Rugby Club. The Clerk is to enquire with PCC, and Cllr BT Price, as County Councillor, will also contact PCC.

b. Cllr BS Sehmi asked about a defibrillator for the Scout Hut (Ty Pawb).

c. Cllr S Minas asked for an update on her community preparedness proposal, and suggested an email list to connect with the community. The Clerk confirmed it will be on the next agenda.

d. Cllr BT Price reported that a police walkaround of St Davids will take place on Friday 6 November.

e. The Mayor reported that a meeting of the Newsletter working group with Solva Community Councillors is to be arranged (date to be confirmed).

DRAFT

There being no further business the meeting closed at 9.15pm
